ELIZABETHTOWN COLLEGE

Hershey History Scavenger Hunt

Starting Location: Carrousel inside Hershey's Chocolatetown Region

Time: Self Guided

Participate in our self guided QR code scavenger hunt to learn more about the exciting history of Milton S. Hershey and the town he created.

How it works: Students will use their phones to scan the first QR Code located at the Carrousel to start their tour of Hersheypark. After each question is answered, the students will be provided a hint to the location of the next sign.

Please note, each sign will have a unique 4 digit code that the students will use to gain access to the next question. The questions will need to be answered in the correct order, and once all questions have been answered there will be a summary page for the students to screenshot and submit for proof of completion.
