ATTRACTION INTENSITY

- 1** Children's Ride - This is a low-speed, gentle ride intended for your children and may accommodate caregivers where permitted.
- 2** Mild Thrill Ride - This is a low to medium speed ride with expected changes in elevation and speed. This ride may require some rider body control and is not intended for unaccompanied toddlers or very young children.
- 3** Moderate Thrill Ride - This is a medium speed ride where riders may experience unexpected changes in elevation and speed. This ride may contain moderate twists, turns, bumps, spins, and loops, and requires some rider body control.
- 4** High Thrill Ride - This is a fast-paced ride experience with unexpected changes in speed, direction, and/or elevation. This ride may contain significant twists, turns, bumps, spins, and loops, and requires full rider body control.
- 5** Aggressive Thrill Ride - This is a high-speed ride experience. Riders will experience many unexpected, rapid changes in speed, direction, and/or elevation and requires full rider body control. This ride is not recommended for guests with physical, cognitive, and/or medical limitations.
